**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is a very important part of American history and continues to be vital in keeping big business in check. I recently got away from one of the big cable companies due to lack of customer service, slow speeds and increased prices. Now Im with a small internet provider company that will disappear if dismantle this act and I fear most of the small providers will disappear. Well be left with 1-2 providers who will cut services and raise prices. Leave the act alone, please.
